HILTON CENTRAL SCHOOL

HILTON, New York

Foreword

If we believe in the worth of the individual, in fair competition, that every man has a right to choose his future occupation and prepare for it, that our public schools are dedicated to the proposition of developing each student to his fullest capacity--if we believe in democracy and wish to preserve these things--we must find ways to strengthen our position in the world today.

Because another country achieves a scientific goal before we do, it does not necessarily mean we must adopt its way of life. I would like to suggest that you take stock of yourselves, tighten your belts, practice self-control and self denial, develop your abilities to their fullest degree, and take a new joy in living in America. Prove to the world that free men and women everywhere can compete by assuming responsibilities themselves instead of having them imposed by some higher authority.

You can do it--you must do it--if our free way of life is to endure.

Mr. Lewis S. Markham

Dedication

Mrs. Virginia Frank

Mr. D. C. Burnett

Mrs. Frank and Mr. Burnett have been more than teachers to the Class of 1958.

Mrs. Frank spent much of her time and patience at our play rehearsals for two years. In addition, she was our class advisor during our Junior year. Mrs. Frank was always ready with advice or suggestions for our prom and other events.

Mr. Burnett has done a great deal for some of us who sought experience or help in choosing the proper college or career. English classes were sometimes converted into discussions where we learned about college life and what would be expected of us. Mr. Burnett was also our Junior class advisor and gave many hours of his time helping with the Junior Prom and other class activities.

We wish to thank these teachers and to express our gratitude by dedicating to them the 1958 HILTORGAL.

In Memoriam

"One morn I missed him on the custumed hill,
Along the heath, and near his favourite tree;
Another came; nor yet beside the rill,
Nor up the lawn, nor at the wood was he."
--Thomas Gray

PAUL B. INGRAHAM
1901--1957

The indomitable spirit of Paul Ingraham will remain in the hearts of those with whom he was associated. Death's claim over Paul was simply a physical one while ours at school will always be spiritual. The love, honor, and respect we possess for him will keep Paul with us. "Death, be not proud..."

LEWIS SWEET
1939--1953

We deeply regret that Lewis Sweet, due to an unfortunate accident four years ago, is not able to graduate with us. At the time of his death, Lewis had just won a scholastic award. We are sure that if he were still with us, we would be proud of him.

Board Of Education

Mr. William Beadling, President
 Mrs. Dorothy Burritt, Clerk
 Mrs. Margaret Baxter
 Mrs. Dorothy Damschroder
 Mr. Robert Izard
 Mr. Fred Jennejohn
 Mr. Joseph Hull
 Mr. Merton Williams

With the continual rise in the school's population in the last few years, the Board of Education is faced with a tremendous task. Finding adequate room for all the students is only one of their problems. Transportation and numerous other facilities cause difficulties that have to be solved. This year the Board has held special meetings, formed many committees, and spent hours talking and planning—all to meet these inadequacies. We can certainly be proud of the Board members and the work which has resulted in a beautiful and modern school system.

Administration

The Administration has always stood by us in our high school years ready with advice and assistance. Dealing with us as individuals, they have done all they could to help us with school problems and future plans. Their hours of planning and discussion help make the school run as a unit. We wish to thank them and to express our appreciation for all that they have done to make our years at Hilton Central School as happy and unforgettable as they were.

 Howard W. Smith Assistant Supervising Principal

Faculty

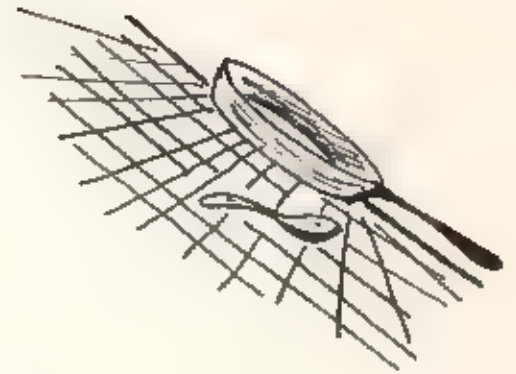

None of us will ever be able to forget the faculty who worked with us for four years preparing us for the future. Perhaps there were times when we didn't appreciate these efforts, but now, as we come so near to leaving, we realize exactly how much they have given us. They were always willing to lend a helping hand, either with study help or social events. We would like to say "thank you" now for all the things they have done, the time they have spent, the help they have given.

Faculty

Staff

The staff of any school may often go unappreciated, but we all know how important they really are. Our clean school, hot lunches, transportation—all these are supplied with the help of the staff. Neither can we forget the office help who were always ready to answer our questions or assist us whenever they could. We would like them to know that their many and varied tasks have not gone unappreciated as we thank them for those "extras" that make school life more enjoyable.

History

SENIORS

Plays

Our first production, directed by Mr. Lester, was a one-act comedy entitled "Uncle Tom's Crabbin'." It involved the visit of aged Uncle Tom to his niece's family and the complications resulting from his unpredictable temperament. Needless to say, all turned out well, and our first play became our initial "theatrical" success.

Our junior play was a melodrama entitled "Wis's End" which was directed by Mrs. Frank. This was more on the serious side. It centered around the arrival of three travelers at a lonely country estate. The mad doctor, housekeeper, a melancholy niece, a homesick niece, and the doctor's incurably ill daughter created an air of gloom and fear. The audience was held in suspense throughout the performance which had a surprising and thrilling climax.

Senior Play

Our last effort in the field of dramatics was another drama, "Drums of Death" which was again under the direction of Mrs. Frank. This involved another "arrival"—relatives of an elderly plantation owner to an island off the coast of North Carolina. They had been summoned by a telegram that turned out to be a hoax. The natives of the island, under the leadership of the missing Uncle's enemy, wanted to do away with his relatives in order to gain a magic stone in their possession. In the end, difficulties between the secret detective, Harley and Uncle George's sister, Mrs. Gillette were solved; and Harley, with the aid of Uncle George's servants, Jules and Celeste, saved all the relatives.

Our final production had a happy, successful finale, but we couldn't help but be a little sad as the last curtain fell on our theatrical careers.

Dances

The Freshman dance, our first large class project, placed us in a setting of "Lilac Time," a theme appropriate to the season. The "Bowmanaires" furnished the music and success was the result.

The next year "Autumn Leaves" disclosed a colorful haven to which Frankie Earle added with his enjoyable music. The night seemed to fly as a good time passed.

Our final year brought the Senior Ball. December gave us "Rhapsody in White" and accordingly we decorated in gold and white. A huge white Christmas tree centered the area around which we danced. Once again Jack Nunn put forth his best efforts and consequently our last dance left us with many pleasant memories.

Junior Prom

As Juniors, the plans for our prom began early in the first semester. Themes, decorations, bands, and ideas were disputed and discarded until "Purple Twilight" emerged.

In a setting of flowers, the various shades of violet and pink delighted the participants as they danced dreamily to Jack Nunn and his orchestra.

Our king and queen, Ron Gosnell and Karen Hyland, reigned with dignity and graciousness over this prom which will long be remembered by all.

The past year has been an extremely busy one for the Class of '59.

To the delight of everyone, our class rings arrived in October. This was the first time the rings have been received at the beginning of the Junior year.

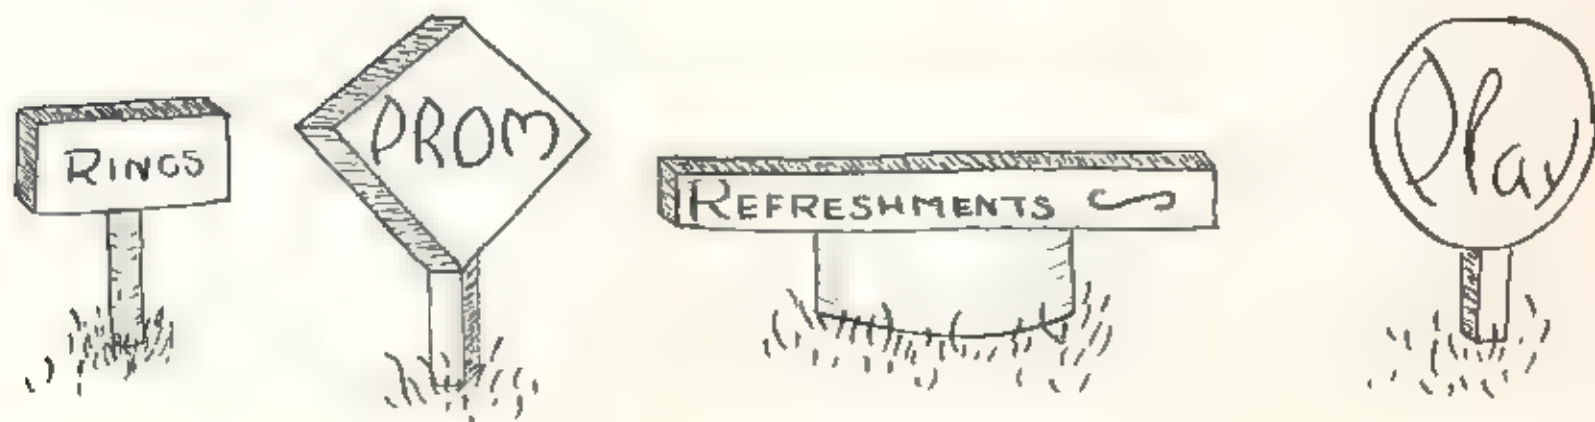

Soon the basketball season started and every member of the class enthusiastically began to sell refreshments and pom poms.

February and March found us preparing for our Junior play, "Ghost on the Loose," which provided fun for all, under Mrs. Frank's able direction.

The climax of the year was our Junior Prom in May. Preparations began in January for this beautiful dance, "Sayonara." The King and Queen were crowned in regal Japanese fashion.

Many thanks go to our three advisors, Mr. Burnett, Mrs. Frank, and Mr. Hilton, for the time and effort devoted to making the year a most successful and enjoyable one.

We are anticipating our Senior year with the hopefulness that it will bring us as much success as did our Junior year.

The first meeting of the Sophomore Class of 1957-58 met in the Gymnasium and went into an enthusiastic discussion concerning the Sophomore dance, our first major project.

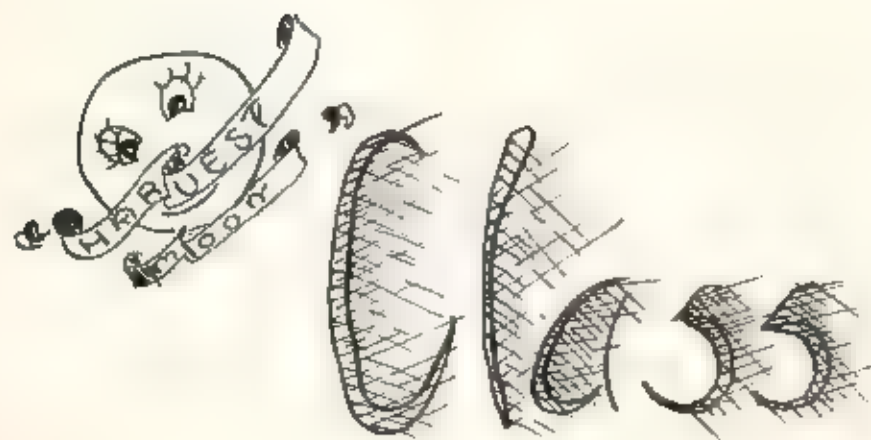

The dance theme, "Harvest Moon," seemed quite appropriate for the occasion, which occurred in late October. Under the direction of Mr. Pasquarella, Mrs. Markham and with the cooperation of the Sophomores, the dance was an amazing success.

Instead of a play this year, we had a musical directed by Mr. Lester, which was received with a fine response.

Our class was represented in sports, having several boys on the Varsity and Junior Varsity teams and several of the girls on the Cheerleading squad.

Class day was, as usual, very confusing with people signing yearbooks, being entertained and helping with skits and dance preparations, making it a wonderful day to remember.

Thanks to our advisors and the cooperation of the Sophomore Class, the year ended with sheer satisfaction and enjoyment.

Guided by Mr. Stiedle, Mr. Miller, and Mrs. Messenger, we enthusiastically entered our freshman year in high school.

Under the direction of Mrs. Crosby, we undertook our first activity...decorating the school for the Xmas holidays. Many compliments were extended from the students, teachers, and visitors. We also sold wreaths at Christmas time to increase our Class treasury.

On May 23 we were all prepared for our first dance, "The Frosh Frolic," which was thoroughly enjoyed by everyone.

Thanks to the cooperation of the entire class, our first year in high school was very successful.

Student Council

The Student Council, with Mr. Boyd as its advisor, carried out a very active year during 1957-58.

Last year it had been decided to revise the Constitution, and when the meetings began again in the fall, this was the first task the Council undertook. When this was completed, the new Constitution and its by-laws were presented to the student body for approval. The Council also investigated the National Honor Society and formed a committee to look into establishing one at Hilton. Early in the year it sponsored, with SAYS, a used-clothing drive for Korean orphans. Hilton Central was invited to participate in a teen program on WHEC radio. The Student Council helped carry this out by selecting the students to appear on the program. It also explored the possibilities of a foreign exchange program for Hilton. The final activity for the year was the sponsorship of the Annual Awards Banquet.

It was once more a busy and useful year for the Hilton Student Council.

COLORED

Senior Chorus

The fifty Senior High Mixed Chorus members, under the direction of Miss Geraldine Ball, participated in many assembly programs this year. At the Abraham Lincoln Assembly, the chorus provided an effective background for the immortal "Gettysburg Address" with the BATTLE HYMN OF THE REPUBLIC.

In the Christmas Festival, the audience gave an enthusiastic ovation to TWAS THE NIGHT BEFORE CHRISTMAS. This program also included: RING CHRISTMAS BELLS, O HOLY NIGHT, SLEIGH RIDE, SILENT NIGHT, AND WHITE CHRISTMAS.

FALLING IN LOVE WITH LOVE, I HEAR A VOICE A PRAYING, COUNTRY STYLE, and the HALLELUJAH CHORUS were some of the selections which were beautifully sung at the annual Spring Festival--the climax of the year's schedule.

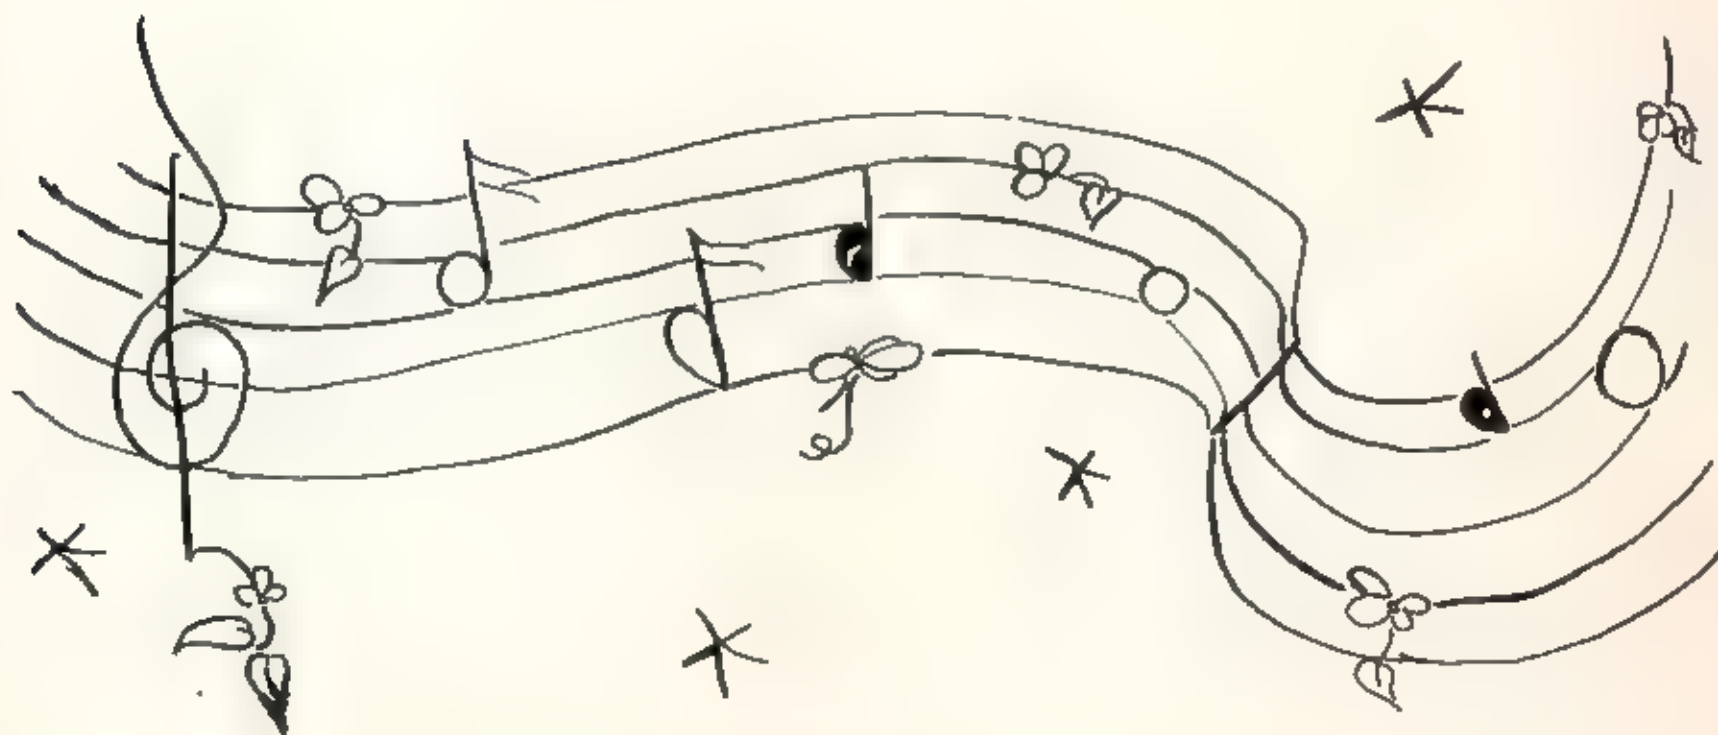

Girls' Chorus

The Senior Girls' Chorus this year was composed of all the girls in mixed chorus plus the Freshmen, who usually have a chorus of their own.

At the Christmas Festival they contributed BRING A TORCH JEANETTE ISABELLA, WINTER WONDERLAND, and JESU BAMBINO to the program.

For the Spring Festival their repertoire included HI-LILI, THE NUTCRACKER SUITE, DANCE A CACHUCHA, and STILL IS THE NIGHT.

Band

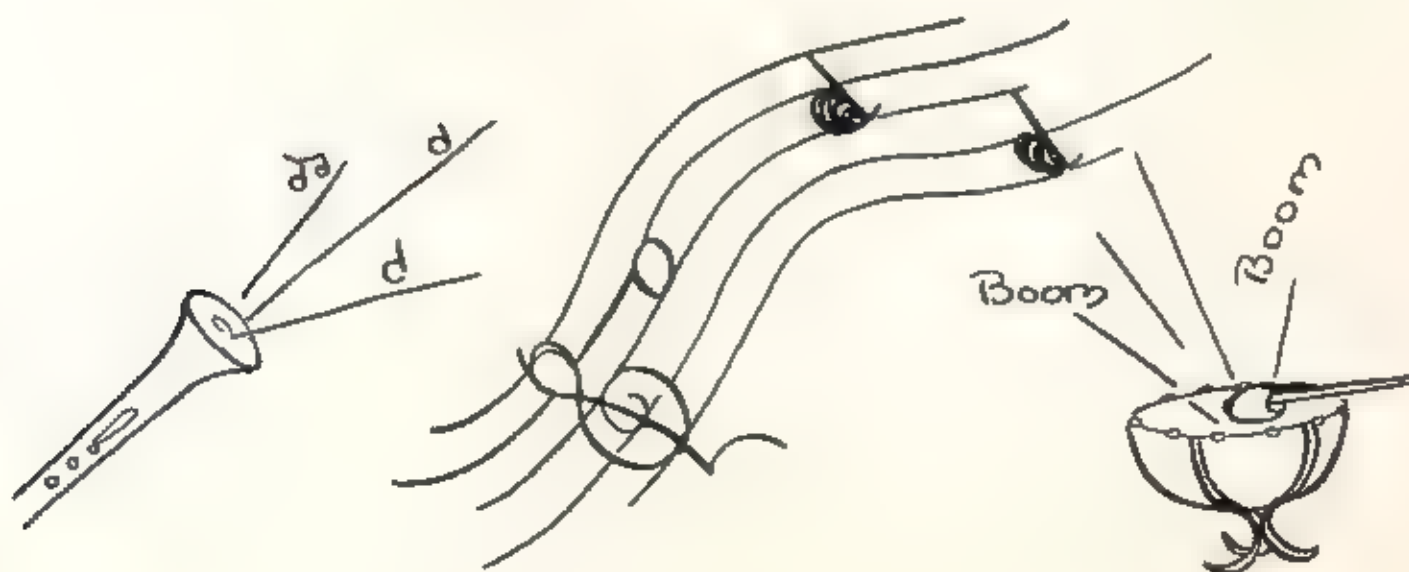

In addition to these regularly scheduled programs, the band often provided music for the student body for marching to and from assembly programs.

Hilton Central's Band was again under the direction of Mr. Robert Guenther.

Its participation in the Christmas Festival consisted of CHORALE FOR BRASS, STORY OF CHRISTMAS, and JINGLE BELLS RHAPSODY.

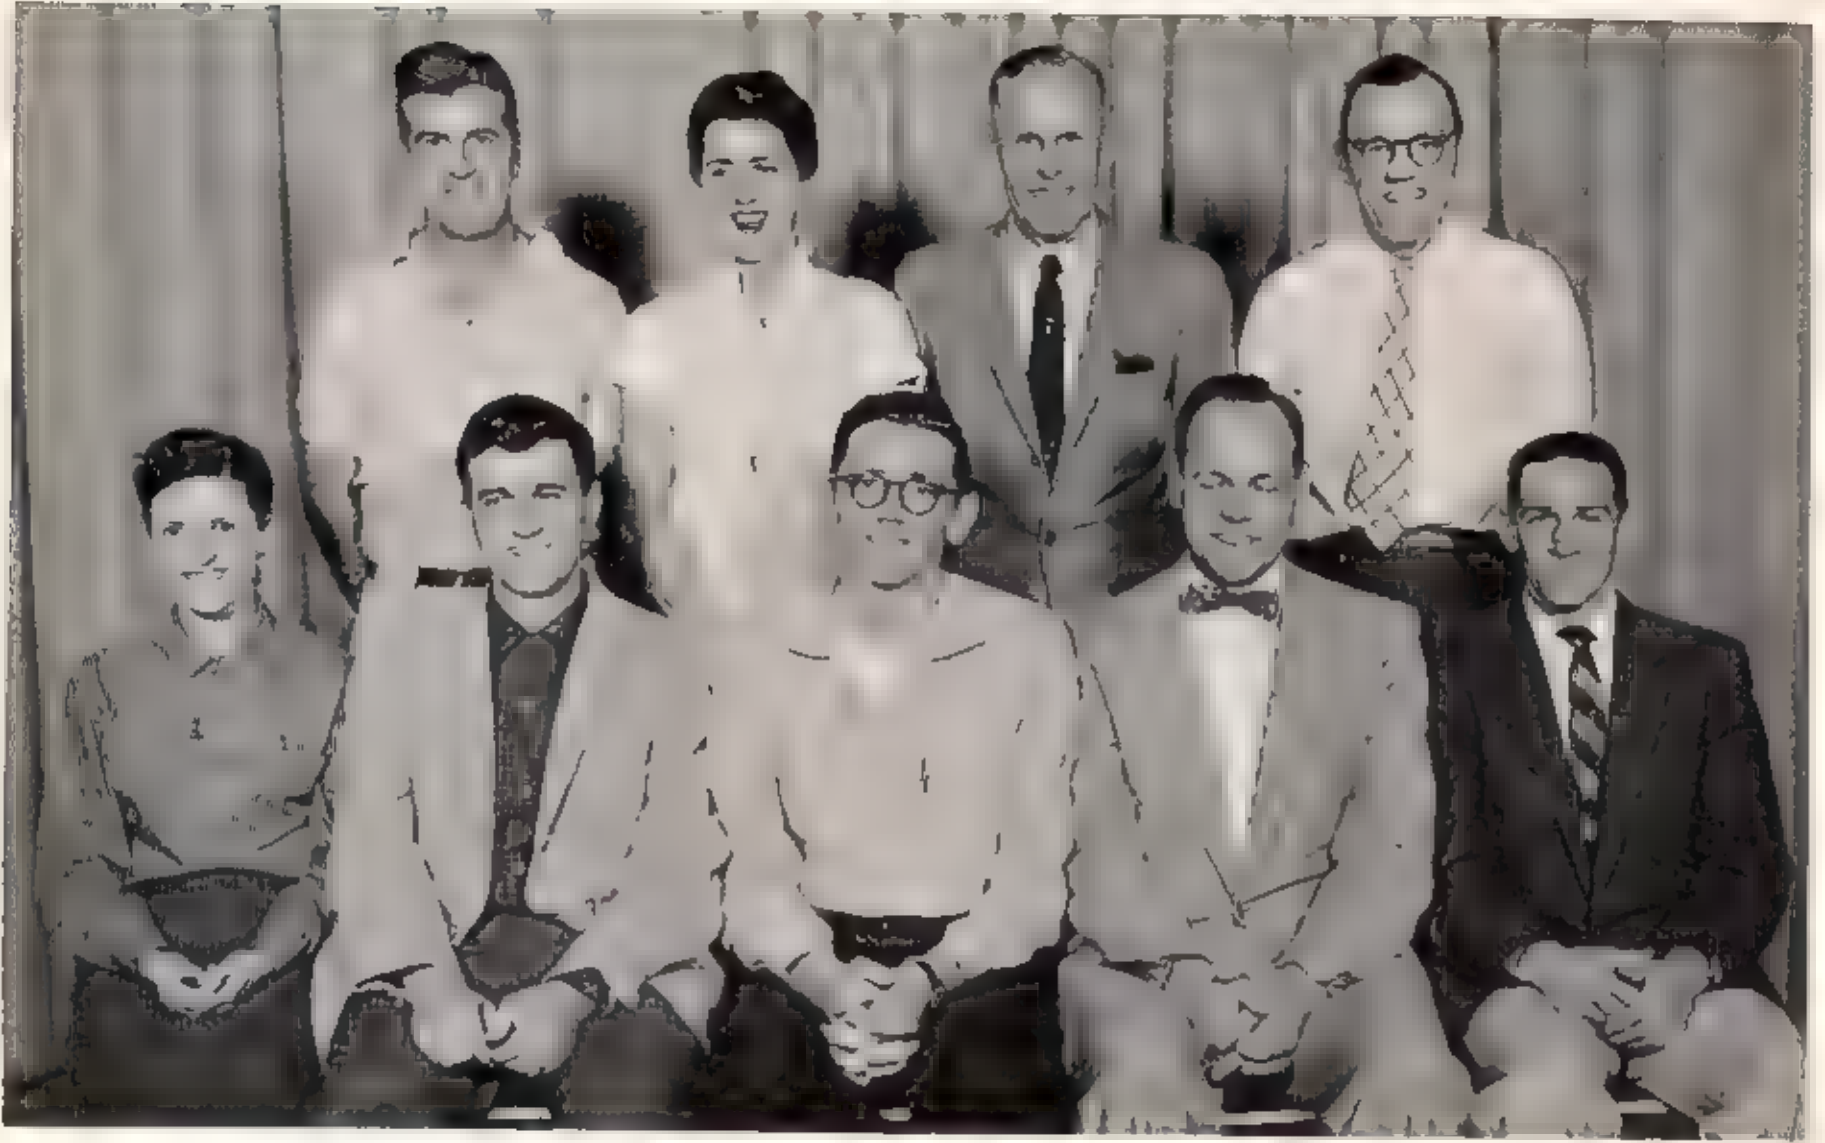

Among the selections for the Spring Festival were: THE LOST CHORD, ATHENEAN FESTIVAL, SEVENTY-SIX TROMBONES, and THE COLONEL BOGEY MARCH.

Athletic Council

The Athletic Association Council, now in its second year, is a group that does more for the school than is often known. Consisting of representatives of the administration, faculty, student body, and physical education department, the group has as its aim the mental and physical improvement of the participants and spectators of all school sports' events.

The objectives and purposes of this organization include the promotion of interscholastic sports and good sportsmanship, the raising and apportioning of funds, and the securing of adequate protection for participants of all sports.

The Council also has charge of eligibility rules for students interested in school sports and the organization of pep assemblies throughout the year.

The Athletic Association Council hopes that each year its efforts will bring about better sportsmanship and greater student participation in the many and varied events of our physical education program.

Baseball

Hilton's 1957 baseball team proved strong on defense but rather weak at the bat. Thus the Scarlets were able to win only three games. However, they did manage to put a scare into most of their opponents. The loss of Tom Harradine and "Bucky" Lemcke at second base leave only two positions to be filled. The return of a veteran team should raise Hilton to a higher rung on the 1958 baseball ladder.

Tennis

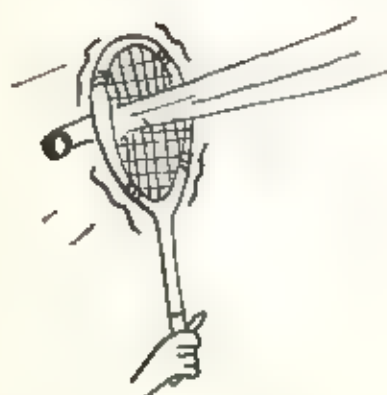

In its second year of county competition, Hilton's tennis team began to show signs of an increased interest in this spring sport. Winning three matches, two from East Rochester and one from Fairport, and scoring well in several others, the boys showed a steady improvement throughout the season.

Larry Palmer, Alan Beardsley, Bradley Chase, John Damschroeder and Paul Renckert were the mainstays of the team. Each boy qualified for a Block H by winning at least one individual match.

This year, with the return of Alan Beardsley, Bradley Chase and Larry Palmer, there are high hopes for an even more successful season than last.

Wrestling

The Hilton wrestling team lost their four matches by large scores, but not because they were not trying. With their lack of experience and not having a participant in every weight class, the team met defeat. Your wrestling team needs the support and interest of everyone in order to produce a winning team in the future.

Through perseverance and skill, this year's soccer team captured the Monroe County Class 8 Soccer Championship!

As the season opened, the championship seemed unlikely as we lost our first game to Pittsford, 6-2. But our fighting team bounced back to win over Honeoye Falls. Credit must be given to "Butch" Blair, who made the goal, and to the backfield which was outstanding. Hilton romped over Scottsville 6-3, with two goals by Brad Chase and one by Tom Scheib. The Churchville game was a close one, 1-0, with Jim Merritt scoring the winning penalty kick. The second half of the season began with another game at Churchville. With goals by Chase and Blair, we squeezed past our opponents, 3-2. Although the Scottsville game was played in a gale with gusts up to 50 m.p.h., Barker and Scheib scored to put us ahead, 4-2. In the Honeoye Falls game Hilton drew a tie. Our last game was with Pittsford. Merritt's score in a penalty kick, and Bill Simpson's outstanding saves, and our great defensive backfield brought us a tremendous victory, thus clinching the title.

THE TOURNAMENT: The semi-final game with Williamson was anti-climatic. We just didn't have the scoring punch, and it certainly wasn't our best game. Nevertheless, our backfield was superb. Simpson made impossible saves, and Kenny Asmuth not only blocked shots, but also broke up Williamson's offensive. Chuck Harbin and Jim Hawkins got off booming kicks, in spite of the mud. Finally, in the overtime period, with the score 0-0, Williamson received a penalty kick. They made it and won.

We are sorry to lose Simpson, Asmuth, Barker, Mallaber, and Blair; but we also hope next year's squad will do as well as this year's team.

Varsity

With an enthusiastic turnout of players and an able coach to guide them, our Hilton Cadets completed its basketball season with only three defeats against fifteen victories, which is considered to be the greatest year for a Hilton team, a season to be remembered for years to come.

Winning five out of their first six games, the Cadets were ready for the long-awaited game with our arch rival, Pittsford. Spirit being at its peak, the determined Cadets captured its most important victory of the first half. By winning the remaining games in the first half we were assured of a sectional berth for the first time in twelve years. We started off the second half by playing against Brackport, the Class AA Champs. Even though we lost by 1 point in overtime, it was considered to be the Cadets' best game of the season. After their only league defeat at the hands of Rush-Henrietta, Hilton bounced back to be the undisputed Champs of Class "A", with a league record of 11 wins in 12 starts.

The Sectionals: Hilton entered the Sectionals as a strong contender. But it soon became apparent that the tournament pressure was affecting the squad in the quarter-final game against Waterloo as they defeated us, 63-55. But Waterloo had to forfeit the game because of their use of an ineligible player, thus giving us the opportunity to continue into the semi-finals and to meet Pittsford. However, our Cadets no longer had the necessary drive and spirit to win. Pittsford was able to revenge its previous defeats by winning, 43-34.

We are proud of our record-breaking team. In addition to winning the Class A crown, it also broke the school records for the highest scoring game and the most field goals scored in one game.

Next year seven Seniors will be missing from the squad, including the top three scorers and rebounders: Bill Boothby, John Crowley, and Bob Gates. The six returning squad members will be bolstered by some of this year's J.V.'s. But they will have a tough time matching the Monroe County Class "A" Championship team of 1957-58.

Junior Varsity

Hilton's Junior Varsity basketball team started the season slowly. They won only one game of the first seven, but in the latter part of the season they developed to the point of winning eight games and losing but three.

No one of this year's Junior Varsity players equaled the scoring records set last year by Jim Albano. However, Sophomores Brucker, Stoner, and Mickey should add spark to future varsity teams. In addition, Freshmen stars, Slater and Gates, give promise of becoming the greatest combination ever to play for the Cadets.

As basketball season drew near, the task of selecting the Cheerleaders was given--for the first time--to a teachers' committee. The girls were chosen on the basis of their leadership qualities, personality, poise, and foremost, the ability to get the students enthused. This year's squads have concentrated on maintaining the Hilton spirit through several unique pep assemblies and by originating new cheers.

The Varsity squad, whose members have spurred our team to victory, consists of Seniors and Juniors. The Junior Varsity includes Sophomores and Freshmen.

The response received to the first attempt to solicit patrons to sponsor the HILTORTIAL has been very gratifying. The Class of 1958 wishes to express its appreciation to these patrons for their generous support.

Yearbook Staff

The staff has enjoyed preparing the 1958 HILTORTIAL. It took many hours of planning and discussion to put out this year's edition--perhaps more than in previous years. We have tried to make a few changes that would increase the students' interest.

Now that our task is completed, we hope that you have enjoyed with us Nancy and Ronnie's last walk through the halls of Hilton.
